Meeting started at 7pm and we had 18 members and 3 guests attending. We started with officer reports and Randy reported that the North Judson Park people commended us for cleaning the park after our Field Day activities. Janet said the club has \$1010.73 in the bank and I just mentioned the up and coming event available to the club members and that QWCA will be acknowledging Bill K9BZM for 50 years in this hobby.

### OLD BUSINESS

I mentioned about John sending in notices to all of the magazines for Radioville Oct 6. We also talked about the 1<sup>st</sup> responder show in Plymouth and Levi was unable to tow the trailer so Ted said he will try to get someone to pull the trailer. Steve KB9GPW thanked us for the flowers when he was in the hospital for surgery.

### NEW BUSINESS

The club was asked to attend the Boy Scout Jamboree October 20<sup>th</sup>, we discussed it and the club will not participate in it. A few members said they might attend to check things out and possibly help.

Also the Pulaski React team asked us to attend their overnight camp out and radio exercise. We discussed it and the ARES/RACES Group will not participate in it. A few members said they might attend.

We also talked about the club picnic and we decide not to have one but we would combine it with Radioville everyone is to bring a dish to share if attending.

David KD9U stepped down from being the NCS for our Saturday Net. We discussed it and decided to try a rotating NCS. I made a list and sent it out to the members that could make it into the repeater. With 12 members participating in it, all we have to do is one net every 12 weeks.
