

May 2010 Starke County Amateur Radio Club Minutes

On Thursday May 20th at the Knox Public Library May's meeting was held.

Sixteen members were in attendance along with 2 visitors. We recited the Pledge of Allegiance. Officers gave their reports. David (KD9U) told us he is getting ready to make contacts with the local businesses for field day and for our 2nd Annual Summer Food Drive. Randy (KC9ISJ) will be asking Ray's Foods to set up a food drive box. (Update: Randy contacted Ray's and they are going to have a food drive box in their store). Janet asked Five Star and they are letting us put a box in the store for 3 weeks. Janet reported that there is \$492.61 in the club's checking account. Raffle money for June is \$15.00.

Field day is June 26 and 27th at North Judson Town Park Pavilion number 3. Bryan Ness and his lovely wife Donna has graciously volunteered to have Field Day's Saturday breakfast at their home. Please let Tony know if you are attending Saturday's breakfast and how many are attending with you. You can bring something to share with everyone, Tony and Janet will be bringing cinnamon buns. Please let Tony know what you are going to bring to Field Day Breakfast. It was mentioned that breakfast is at 8a.m. and Field Day setup starts around 10 a.m.
