

The Starke County Amateur Radio Club March meeting was called to order at 7:00 pm on the 15th. We had 13 members and two guests.

**Old business:**

Discussion on what the LaPorte hamfest was like.

**New Business:**

Treasurer Report was given by John W3ML. We have \$900.90.

Field Day discussion led to the point that no one wanted to do one this year. Discussion to follow up on this next month.

David, KC8OBH said he would like to use the Club name at a Weather Radio programming event at Walgreens. Date to be determined.

John, W3ML said he would try to get some material from the ARRL on ham radio for the table at the event.

Discussion on this event was conducted by several members and then a vote was made to approve the use of the Club name.

There was no other business.

Raffle brought in \$12.00.

Meeting was adjourned at 7:56 pm.

Respectfully submitted,

John, W3ML Secretary/Treasurer
