

May 16, 2013 meeting

President and Vice President were not present. Meeting was run by the Secretary kc9isj.

Meeting started at 7: 00 pm with the pledge.

We had 10 members present plus Jolene.

Treasurer Janet reported we have \$1041.01 in the checking account.

Janet also reported we purchased the 4h trophies.

Old business

ECOM Trailer is still not here. Don Smith is fabricating the mount for the tower.

Check for the tower was given to Don Smith for his work check was wrote as he was a business and his bank would not cash. District 2 is getting the check re-issued.

Still not sure if we will be 2a or 3a for field day or if we will stay 24 hours or not.

We may only set up for 8 hours.

New Business

Repeater is in Florida getting the crystals changed, should be back soon.

John said we should replace our repeater antenna with a new one that has a N connector and also replace the hard line for the repeater. Cost should be around \$200 for the antenna and \$200.00 for the hard line.

David brought up a motion to purchase them. Randy seconded the motion and we were all in favor of purchasing both. Janet wrote John a check for \$400.00.

7:25 we had the raffle. Bill brought in his dad's radio equipment in and donated it to the club. All proceeds were for the club we made \$27.00.

Mike had a short program on an usb powered swr meter that uses a computer for the display. The meter is in kit form.

Meeting adjourned at 8:30
